Report on the progress made during the quarter ended 30th June 1919 in regard to the recovery of certain amounts due to Government in respect of certain uncashed cheques mentioned in statement B appended to Government Order No. G. 10837-9-Geol.53-18-3, dated 9th December 1918.

Cases Nos. 1 & 2.

Mr. Hajee Ismail Sait has been called upon to remit the amount of these two cheques and has promised to see the Director personally about the matter in a few days.

Cases Nos.4,& 46.

The total amount due in respect of these two cases is Rs.1103-8-3. In part adjustment of this amount a sum of Rs.900/- refundable to Messrs. Paul Knight & Robert Knight out of the deposit received for the lease of the Bukkambadi Block has been transferred and the balance of Rs.208-8-3 demanded from the parties.

Case No.9.

The Deputy Inspector of Mines who inspected the pits made under prospecting license No.118 reports that all of them are but shallow ones and that none of them require to be filled up. There is therefore no claim against the licensee and if the cheque in question had been cashed, the amount would have had to be refunded to him. No further action is therefore called for.

7

Case No.10. 24 & 29.

The total amount of the three cheques which relates to these cases is Rs.350. This has been adjusted by transfer of a like amount to the head of ? from the sum of Rs.400/- held as deposit in respect of expired prospecting licenses Nos.50, 54, 126 & 189.

Case No.14.

The amount of the cheque relating to this case has been adjusted out of certain monies refundable to the Workington Iron & Steel Co., in respect of certain prospecting licenses applied for but not granted to them.

Case No.21.

The Rules under which the application was submitted do not provide for forfeiture of the deposit in the case in question. We have therefore no claim.

Case No.25.

The amount of the cheque in this case is Rs.600/-. In part adjustment of this amount the deposit of Rs.100/ held in respect of prospecting license No.182 has been transferred to the head of "VIII. Mining Revenue 4. Rent on Prospecting lands" and the balance of Rs.500/- demanded from the party.
